OUR STORY: ENGINEERED FOR EXCELLENCE

2010

The acquisition of our Machining Shop (ex Mekano) by Fonderia Corrà aims to provide customers with a complete and highly customized product

2022

The facility was relocated to Padua to secure additional space and accommodate new machinery

2025

Mekano officially joins Fonderia Corrà and reorganizes its structure to better respond to evolving market needs

2026

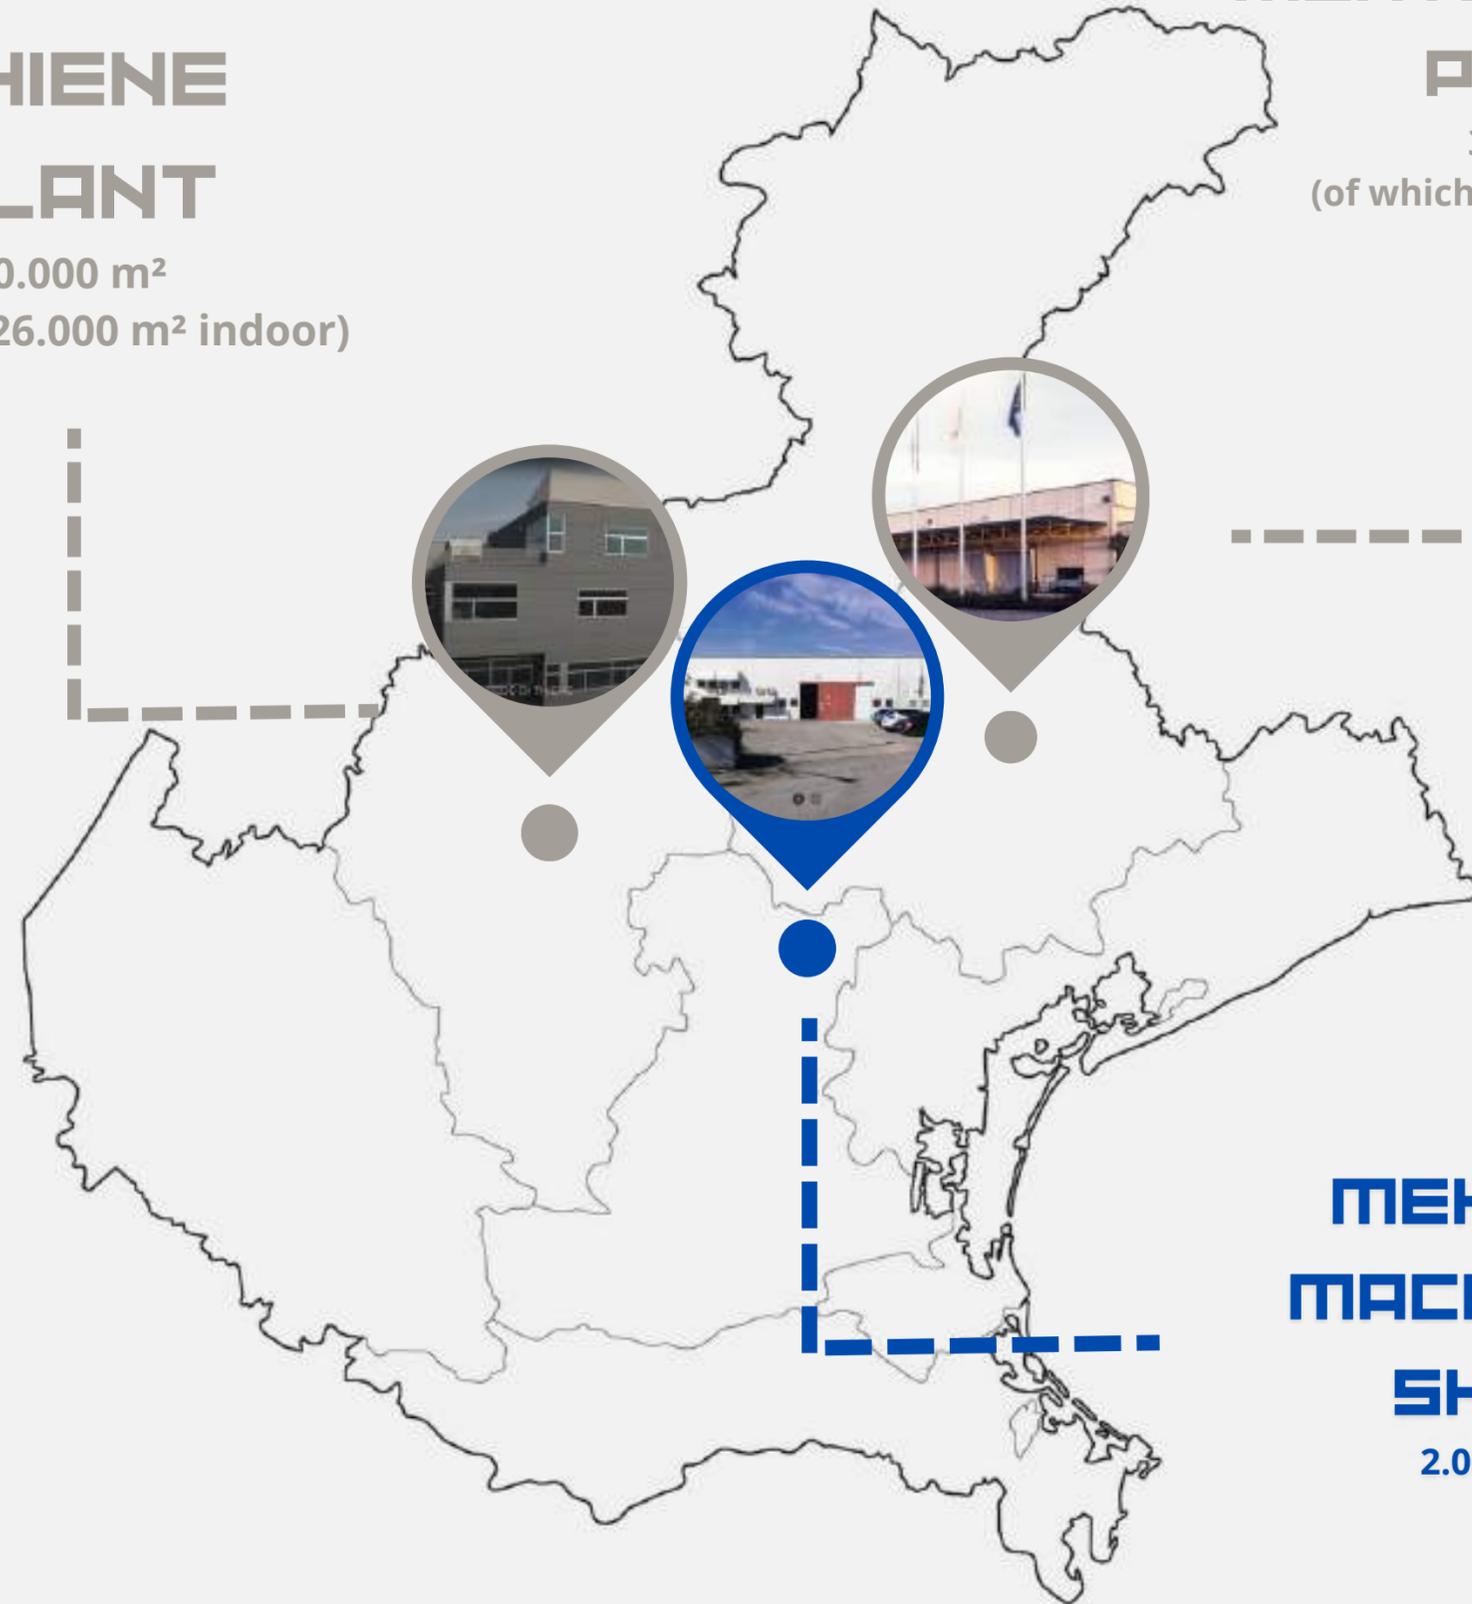

Mekano remains strongly future-oriented, with new processes being studied to optimize production and quality
